Supervisors Give Nod To Plan For New Airport Here

Placer Board Expected To Call Meeting Soon To Decide Issue

With no protests registered either at the meeting or in writing, the Nevada County Board of Supervisors Friday adopted a resolution of intention to form an airport district for the Truckee-Tahoe Airport District at Martis Valley following a public hearing.

Cecil Edmunds of Truckee, chairman of a citizens committee which had laid the groundwork for the resolution, appeared first to explain the steps necessary and why the request was being made.

Zep Rose, Truckee Chamber of Commerce official and member of the planning committee, attended the session to further the plan.

Three supervisors from Placer County, L. L. Anderson, Frank Paoli and J. O. Anderson, appeared with their county executive John Barnard and clerk, Evelyn Cooper, to hear the proposition explained. To date the Placer supervisors have not set a definite public hearing, awaiting outcome of the Nevada County supervisors hearing.

The district would be bounded by the same boundaries now covering the Tahoe-Truckee Unified School District, situated in the two counties jointly.

Financing of the airport would be started by Howell Enterprises and Investment Company for Tahoe Airlines, newly formed corporation, which has offered to underwrite the funds necessary to obtain federal matching funds to build the airport.

William Mason, representative of Tahoe Airlines and Ivan Sperback, San Francisco attorney, explained that this company is willing to foot the initial cost to operate its lines from San Francisco and Los Angeles to Tahoe. Although their lines would be first in there, the port would be open to all lines and private planes.

Clyde P. Barnett, director of aeronautics for the California Aeronautics Commission, stressed the need for a good airport in the Sierra Nevada Mountains with growth of th earea as a vacation spot.

He stressed how such an airport would increase the tax base of the counties involved in the district with influx of wealthy private plane owners alone or persons who coluld fly in and out.

Government funds would be used for the runways, parking lots and access roads, he explained, but other facilities usually are not hard to finance once the port is actually constructed.

The Tahoe - Truckee Unified School District has a total assessed valuation in both counties of $22,700,000, with more than $6,400,000 of this in Nevada County.

Hearing in Placer County

The Placer County supervisors agreed to hold a public hearing as soon as possible at Lake Tahoe to get their end of the matter under way.

Following Placer County's hearing further action will be taken by Nevada County.

TAHOE COURT BUSY WITH MANY CASES

KINGS BEACH — William C. Hopper of Lake Tahoe was arrested at Tahoe City by Constable Harry Johansen charged with being drunk on the highway and Joseph L. McCarthy of Sacramento was arrested by Officer T. F. Sheehan for being drunk on Highway 89.

Both men appeared before Judge Harry Charrison on Monday and were sentenced to 30 days each in the Auburn jail.

John Early was arrested at Kings Beach by Constable Dick Lavery for defrauding an inn keeper and sentenced in the same court to spend 60 days in the Auburn jail.

CONSERVATION AREA INCLUDES TRUCKEE

The Nevada County Soil Conservation District now includes all of Nevada County's 640,000 acres and 50,000 acres of Placer County to the south east of Truckee. This resulted from a favorable election held Tuesday to include the area in the fifth or Sierra district.

Two precincts for voting were in Nevada City and Truckee and three votes were recorded here. All favored the district.

ROTARY WILL INSTALL NEW OFFICERS IN MONDAY MEET

The annual demotion and ladies night of the Truckee Rotary Club will be held Monday night. Newly elected officers will be installed and special entertainment is planned. All Rotarians and their ladies are urged to attend and bring guests.

At the meeting Monday, June 17 Richard Swanson was the speaker and gave a report on the activities of the Rotary Assembly in Oroville June 13, 14 and 15. R. R. Frank presided.

Miss Sandra Trainor, San Jose College student, has returned to her home at Donner Lake.

Jobs Are Open For State Patrolmen; Filing Date July 12

Would you like to be a state traffic officer in the California Highway Patrol?

This question was asked by Sgt. F. H. Snyder of the Truckee substation office of the patrol, who urged every man 21 to 31 years old in good physical condition to obtain full information at the local patrol office just west of Truckee on U. S. 40.

"Final filing date is July 12, 1957, and qualified young men are encouraged to discuss with any highway patrolman the possibilities of a professional career in traffic law enforcement," Sgt. Snyder stated. "I will be pleased to personally discuss the work with any interested person and suggest such persons phone me at Luther 7-3518 any time between 8 a.m. and 5 p.m. for an interview.

"Application blanks and specification sheets are also available at any patrol office," he continued. "Applications must be mailed to the State Personnel Board prior to the final filing date.

"The written examination will be held at various locations throughout the state on August 10, 1957."

Kings Beach Man Wins Scholarship

Raymond P. Bisio of Kings Beach has been awarded a $1000 scholarship granted annually for graduate study in public education by the Grand Lodge of Free and Accepted Masons of California.

The award, announced by L. Harold Anderson, grand master of Masons in California, is part of the lodge's year-long program on behalf of the state's public schools system.

Bisio, 32, a teaching principal at Tahoe-Truckee High School, will use his award to pursue studies for a masters degree at San Jose State College.

The young educator, who said he believes in "keeping public education free and public for all," enlisted in the marine corps as a private in World War II. He is a veteran of Guadalcanal and Okinawa and the occupation in Japan.

Bisio won the scholarship for original research on the subject, "The Origin, Development, and Purpose of Our Public Schools."

Active in civic affairs, Bisio is a member of the Lions Club and the Community Club, a volunteer forestry fireman, and a district commissioner of Boy Scouts.

Father of three sons, aged 6, 4, and 1, Bisio hopes to become a superintendent of schools.

NEW DIAL PHONES OPERATE AT TAHOE

TAHOE CITY—Tahoe area residents sighed with some satisfaction on Sunday last as they picked up their telephones and dialed for numbers for the first time.

The cut-over was declared a success by George Selkirk and his crews.

Only Soda Springs still remains without a prefix, although they too have four digit dial phones, and this should be remedied about August 6.

Selkirk said approximately 500 phones were involved in the present conversion.

EXAMINATION WILL BE HELD FOR CLERKS

Examinations will be held August 3 to fill vacancies in the Truckee office of the California Highway Patrol for dispatcher-clerks, Sgt. Frank Snyder announced this week.

Applications must be made by July 12 and that same date is the last for taking the required typing tests. To take the examination, applicants must be able to type 40 words per minute.

The salary range is from $325 to $395 per month.

Anyone desiring to take the typing test and apply for the examination in August may learn all details by contacting Sergeant Snyder at the Truckee office.

Traffic Drops But Truckee Second As Port Of Entry

Work On Lateral Slows Up Travel, Check Here Reveals

Construction work on U.S. Highway 40 between here and the Nevada stateline is making a small mark on the volume of traffic entering California through Truckee.

Although there were more than 2000 cars over the April figure checked at the local quarantine station last month than during April, there was a drop of nearly 2000 over the May, 1956 count.

The monthly report from the department of agriculture shows that during last month 37,140 cars, 3801 trucks and 667 buses, carrying a total of 129,581 passengers were checked at the Truckee station.

There was a gain on Highway 50 last month over a year ago of 94 cars, and a gain of nearly 4000 cars during last month as compared to April. The count last month showed 12,802 cars, 293 trucks and three buses, with a passenger count of 32,294, still far behind the total checked on U.S. 40.

Only one other border station showed more travel than Highway 40 during last month as cars entered the state. That was Yermo in southern California with 58,348 cars.

SACRAMENTO (CNS) — Traffic on California's highways during May showed a 3.5 percent increase over the same month of 1956, the state department of public works reports.

However, the May traffic dropped 10 percent from April. The April count had been taken during the Easter weekend, with very good weather prevailing, which resulted in its being unusually high.

Normally, traffic in May increases 0.1 percent from April.

Date Set For 1960 Winter Olympics

A press dispatch from Dubrovnik, Yugoslavia, announces that the International Ski Federation Congress Friday set the last two weeks in February as the dates for the 1960 Winter Olympic Games at Squaw Valley.

Delegates to the congress also approved a United States report on the preparations for the winter games. Delegates from 20 countries attended the three-day convention which ended Friday.

The next meeting of the congress will be held in Stockholm, Sweden, in 1959.

A Soviet and Czech proposal to include five kilometer (3 1-8 miles) ski races for women in international meets failed to get the necessary two-thirds vote. The Russians have developed outstanding female ski racers.

The congress, however, did change the rule for passing a gate in a slalom race. The penalty now is disqualification instead of a five-second penalty.

Mrs. Andrea Mead Lawrence, an American delegate from Parshall, Colo., told newsmen she has changed her mind about retiring from Olympic competition and will try and make the 1960 team. The 24-year-old slalom star, now a mother of three children, won two gold medals in the 1952 games but failed to repeat in 1956.

Placer Supervisors Pass Christmas Tree Ordinance

AUBURN—The supervisors Monday passed its long discussed Christmas tree ordinance controlling the transportation of native trees and shrubs in Placer County.

First considered a year ago, action was deferred until after the last Christmas tree cutting season. The ordinance provides that any person transporting in excess of five native trees or shrubs over Placer County roads and highways must first obtain a permit from the judicial district judge in the district in which the trees are cut or removed. A $2.50 fee must be paid for the permit, and the ordinance also provides a $500 fine for violations.

KINGS BEACH — The bomb which was exploded in the early hours of Tuesday morning at the Nevada Proving Ground was felt at Kings Beach, residents being rudely awakened when the earth was shaken by the experiment.

SUNBEAMS

By WALTER M. BARRETT

Courtesy and automobiles apparently do not mix any better than gasoline and liquor. There is something about driving a car which changes usually mild, gentle thoughtful people into the worst type of rude road hogs. A couple of days ago we watched two small children standing patiently on a cross-walk while 17 cars and three big trucks went whirling past. More recently, the blast from a horn sounded warning to a driver a block distant that the hornblower was demanding the right-of-way. There are so many noticable discourtesies that it would be impossible to list them all, and the remarkable thing is that there are not more accidents caused. Occasionally two of these road hogs meet and then there is a real trouble. It is just as easy to treat the fellow in the other car as you would if he visited your business or home instead of forcing him to yield the right-of-way, blasting your horn at him or forcing him off the highway as you make a dangerous pass. Why not give this courtesy deal a trial and see if it doesn't pay off.

Funds Provided To Conserve Fish Here

The 44th biennial report of the California Department of Fish and Game, released recently for the years 1954-56, reveals the fact that as a result of combined efforts of the conservation agencies, sportsmen's groups and interested civic organizations, provision has been made for conservation and improvement of fishing when the Washoe Project is constructed.

Authorization legislation for the project includes provisions for $1,200,000 expressly for the enhancement of fisheries resources through construction of a dam on Prosser Creek. This, it was pointed out, will facilitate constant and increased flow of releases of water from the Lake Tahoe dam into the Truckee River.

It will also provide for construction of a fish hatchery to supply additional fish to the project area, the report indicates.

Authorization legislation was submitted to both houses of the legislature in 1955. Subsequent hearings were held in Reno. Department personnel prepared or participated in the preparation of statements presented at both hearings.

The Truckee Outdoor Sportsmen and the Truckee Chamber of Commerce were active in these hearings and have consistently urged that action be taken to protect the fish in the Truckee River and its tributaries.

DATE IS SET TO OPEN BIDS FOR SCHOOLS

The Placer County Board of Supervisors has set July 8 at 1 a.m. as the date for receiving bids on $250,000 twenty-year bonds for the Tahoe Truckee Unified School District.

This will mark the first of a series of bond sales to obtain money for improving and enlarging the facilities in the schools of the local district. The voters of the district recently approved a $1,700,000 bond issue for that purpose.

Subsequent offers will be made as the money is required.

The board also set July 1 at 10 a.m. as the date for receiving bids for the purchase of $500,000 twenty-year maturement bonds for the Placer Union High School District.

The Placer High bonds are also the first of a series, the total being $2,600,000. The Series A bond will provide for improvements on the Auburn campus.

The remainder of the bonds will be used for construction of new four-year branch high schools at Colfax and in the Penryn-Loomis area.

State Studies Bid For Olympic Work At Meeting Today

Final Settlement Expected To Result From Meet In Bay Area

SIGNS BILL

Governor Goodwin J. Knight yesterday afternoon at 3:30 signed SB1774 adding $2,990,000 to the 1960 Winter Olympic funds and granting the state needed authority to acquire any private lands needed to make the facilities permanent.

Construction for the 1960 winter Olympic games at Squaw Valley will cost more than expected.

The low bid last Thursday for the first building phase was $3,905,000 by the Southern California combine of Diversified Builders, Montebello, Los Angeles County, and the Macco Corporation, Paramount, Los Angeles County.

H. D. Thoreau, executive secretary of the California Olympic Commission, said estimates by architects for the construction cost were $3,710,000 or about $200,000 less than the low bid.

Five bids were entered, the highest being $4,807,000.

Covered In Bidding

Covered in this initial bidding were housing for athletes, administration and official housing, ski jumps, spectator centers, maintenance buildings, sewage disposal plant, water distribution system, site clearing, grading and flood control, bobsled run, roads, parking and bridges.

Today the commission was meeting to award contracts, with the building scheduled to start by July 1, in constructing the Olympic facilities, the building season is limited to the summer months.

For the Olympic games project, the legislature has appropriated a total of $7,990,000.

More Bids On July 15

Bids on the second phase are expected about July 15. The commission also is expected during its approaching meeting to study bids for a ski lift.

Still unsettled is the controversy between the state and Wayne Poulsen, principal landowner in the valley, over use of about 32 acres of his land.

Thoreau said he believes agreement is near. The commission is expected to change the site of the parking lot to the alternative location proposed by Poulsen. An alternate site for the sewage disposal plant was found not acceptable.

Third Disagreement

Third and last on the list of disagreements is a lease for land needed for a ski jump outrun.

Poulsen asks that the lease be restrictive and permit use only for ski jumping. The state seeks a non-restrictive clause which would allow others to pass over the land.

$100.000 DEATH SUIT FILED IN LOCAL COURT

NEVADA CITY — A $100,000 suit for a wrongful death has been filed in the Nevada County Superior Court by Nora Maude Lewis of Nevada City, guardian ad litem for Andrea Ruth and Noreen Ann Lewis, against Robert R. Howe of Truckee for her husband's death earlier this year.

William Lewis of Nevada City died March 17 as a result of injuries received February 25 when his jeep collided with Howe's pickup truck on Highway 20 and overturned.

Mrs. Lewis' complaint charges that Howe, et al, were driving in a negligent and careless manner and that they "were unreasonably exposing the decedent to probable serious harm and wantonly disregarding the possible consequences to the plaintiff of said conduct."

Attorneys for Mrs. Lewis are C. Ray Robinson of Auburn and John L. Larue of Nevada City.

Vernon Stoll Gets Appointment As High Court Judge

District Attorney Advanced To Judgeship After Snell Resigns

Gov. Goodwin J. Knight Monday announced the appointment of Vernon Stoll of Grass Valley as judge of the superior court of Nevada County, succeeding Judge James Snell of Nevada City who retired May 31, 1957.

Stoll is district attorney of Nevada County, having first been elected to this office in 1934 and serving for two terms. After a period in private practice from January, 1942, to October, 1947, he was again appointed district attorney and has held that office until the present time.

He was born in Red Bluff, October 6, 1903, and was educated in the public schools there and in Berkeley, where he later attended the University of California. He received his A.B. degree at the university in 1925 and was admitted to practice of law in 1927. He engaged in construction work for a utility company before establishing his law office in Grass Valley in October, 1929.

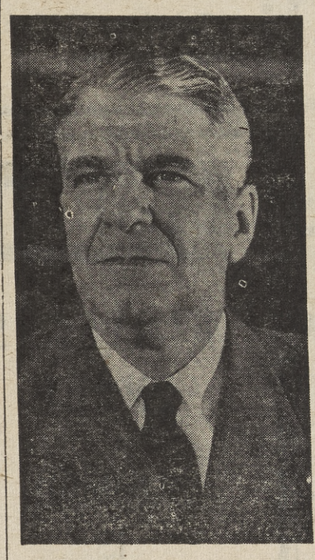
Stoll is a member of the Elks Club, the Native Sons of the Golden West, past president of the Grass Valley Lions Club, and is a former president and director of the Grass Valley Chamber of Commerce. He is a past president and director of the Grass Valley Chapter of the American Red Cross and is on the advisory board of the Salvation Army. For many years he was a member of the board of directors of the 17th District Agricultural Association and served as its president for two years.

He served as president of the California District Attorneys Association in 1954 and has acted on the local administrative committee of the state bar and as Nevada County delegate to state bar meetings.

Stoll is married and has two adult children.

In accordance with his practice in judicial appointments, Governor Knight obtained a report from the board of governors of the state bar on the professional qualifications of the appointee.

Judge Stoll



Judge Vernon Stoll, appointed by Governor Goodwin J. Knight to succeed Judge James Snell whose retrement became effective May 31.

Local Pastor Given New Assignment; Langguth To Stay

STOCKTON — Record numbers of pastoral assignment changes, ordinations and retirements featured the annual California-Nevada Methodist conference which closed here today. A record number of new churches were launched.

Appointments of ministers for the coming year by Bishop Donald H. Tippett, more than 90 of them changes, included: the Rev. Wesley Osman from Truckee to Riverbank. Truckee is to be supplied. The Rev. Earl L. Langguth was reappointed to Kings Beach.

Eleven men were ordained as elders including Rev. Langguth of Kings Beach and 19 persons as deacons, the first step, while 12 ministers and one deaconess were retired. The latter group had an average of 31 years of service to the church.

DONNER DOG HOUSE OPENING ON FRIDAY

Mr. and Mrs. Charles Collier have been renovating and preparing generally for the Friday, June 21 opening of their popular Donner Dog House in the new location near the local state quarantine station.

The couple are featuring foot long hot dogs and will welcome new patrons as well as those who have been acquainted with them for the past four years.

TWO NEW HOMES IN GATEWAY STARTED

Richard Joseph, owner of Gateway Park Motel announced that Mr. and Mrs. Sherman Reams of Donner Summit are building a house opposite the Tahoe Forest Hospital. The couple and four children expect to occupy their place by September.

Mr. and Mrs. Jack Bergman and son of San Francisco have also decided to establish their home here and are erecting a house in the Gateway Park section, located near the Walter Loynd residence.

Many Guests At Square Dance Pot-Luck Affair

The Donner Dancers welcomed a large group of square-dancing guests to their potluck supper dance held last Friday. Long distance honors were shared by Una De Remer of Artesia and Fred and Nancy Starweather from the Curry Coasters of Gold Beach, Ore.

Dave and Marguerite Ashton, Tahoe Twirlers from Kings Beach; Pete and Peg Wyecoff, Soda Springs, and Carl and Bea Whitefield, Bill and Julia Davis, and Myrtle and Ireda Harris, all of Truckee, were welcome guests.

Ray and Marge Vierra of the Pleasant Hill-Billies near Concord joined in the instruction. Marge broke down two round dances and Ray was kept busy calling squares. The Vierras announced that a "knot head" dance will be sponsored by their group on June 29 here in Truckee.

John and Sophie Levra and Art and Goodi Mori joined the Donner Dancers as members.

From College—

Mr. and Mrs. E. L. Loynd returned from San Francisco with Miss Judith Loynd who attends college in the bay city.

Frank Fox Heads Local Sportsmen

Frank Fox, division of highways superintendent in this district, is the new president of the Truckee Outdoor Sportsmen. Fox was elected at the meeting held Friday at Capitol Hall. He succeeds Jack Waggoner as head of the organization.

Other officers for the coming year are Charles Osburn, vice president and Mrs. Edith Welch, secretary. Directors are Gene Welch, Henry Strelow, Carl Painter, Fred Olson, Jack Thomas and Frank Quilici.

The group made plans for the annual back-country camping party which will be held in the near future.

Rabies Clinic Slated At Lake on Weekend

TAHOE CITY— A rabies clinic will be held at Lake Tahoe Veterinarian Hospital in Tahoe City on Friday and Saturday, June 21 and 22, from 10 a.m. to noon and from 2 to 5 p.m. Dr. S. M. Dingwall will be in charge. The vaccination fee at these clinics will be $2.

Although no party was planned children who shared the occasion included Linda Russell, Karen, Terry, Ronnie Walker, Kathryn, Sheila, Patricia, Phyllis Barrett, Denise Clepper, Barry and Marcia Leamon.

SUMMIT AREA GROUP OPPOSES ROAD PLAN

AUBURN—Summer residents of the area between Big Bend and Rainbow Tavern on U.S. 40 in the Sierra appeared enmasse before the board of supervisors Monday protesting the division of highways plan for four-laning the Trans-Sierra Highway in that sector. They declared they were being left without an immediate access road to their property, the nearest access being two and a half miles distant.

Twenty-three property owners in the area, headed by Auburn attorneys K. D. and Bob Robinson, presented a petition to the board asking that negotiations be undertaken with the state to construct an access road in the vicinity. The 23 also carried with them the requests of 18 other summer residents not able to be present.

FORMER LOCAL MAN GETS AWARD FOR BRAVERY AT FIRE

Three young California foresters of the United States Forest Service in California received much deserved recognition in Washington, D.C., for outstanding and heroic performance in their jobs. They were among 136 other employes of the United State Department of Agriculture cited for superior service.

Many will recall the disastrous siege of forest fires in California in 1955 and 1956. Fatalities on fire lines were widely publicized but the "close calls" that were averted by individual courage, daring and superior leadership in the face of great odds were unknown until now. Citations for superior service awards were presented by Secretary of Agriculture Ezra Taft Benson at ceremonies held at the Washington Memorial in the presence of friends and relatives of the honorees.

The three California foresters were: Joseph D. Kovus of the Los Padres National Forest; Chester D. Cannon, Jr., of the Modoc Nation Forest and Dean H. Vinson of the El .Dorado National Forest.

Vinson was a member of the Tahoe National Forest staff for many years, serving as a fire control aid in the Forest Hill and Truckee Ranger District. He transferred to El Dorado Forest in April of 1957 and was assigned ot the Georgetown Ranger District.

NEWS NOTES FROM TAHOE

By Naomi McLane
(Tahoe City, Box 711. Ph. 246-J)

Moving

Women undoubtedly have been the cause of the de-nomadizing of men. We are moving and of all the tasks in the world this is the least favorite. I sympathize with all the women everywhere who have just sat and said, "Here I stay." In fact, is there not a story about a man, probably bitter, who carved those words on his wife's tombstone and then took out for all the ports of the world?

Rotary Meets

Rotary met Tuesday noon with 18 visitors. One was out-of-state, Walter G. Aurand, from St. Petersberg, Fla. Speakers were George Kehlet of Meeks Bay and Ex-senator Hoffman, who both spoke on the Emerald Bay road and the bill recently passed which provides for an all-year road with a bridge only if highway engineers find that the most feasible course. Steve Korich presided over the meeting.

New Directors

Bill Bechdolt and Al Henry have been appointed as two new directors of the Tahoe City Public Utilities District in accordance with the election of May 7 which decided to raise the number of directors from three to five. These men will be sworn in to their new duties in the very near future, according to Chairman W. C. Vernon.

Car Wash

Official notice has not been received here but rumor has it that Joe Pomin is initiating a new type rapid car wash service. He was his own first, and perhaps last, customer. Sunday morning he parked across the highway from Al Henry's garage and when he looked around the car was swooshing down the cliff into the lake.

Busy People

With the busy summer season upon us when old friends can scarcely do more than nod to one another even the teen-agers are at work. Leonard Bury has several boys with him at the Tahoe City Bakery: Dennis Lang from Oxnard; Doug Ferrar from Carmel and Dennis Rickert from Carnelian Bay. Bob Williams is spending a month at the ROTC camp in San Luis Obispo but will join the bakery staff upon his return. Also Ronnie Brown, formerly of Lake Forest and now of Carson City, will work for Leonard for a month.

Station Help

At the Tahoe Y Shell Service Station Keithe Holden has Lex Brainerd of Menlo Park, and two local boys, Harry Gardner and Lyn Bradley, to help him out over the vacation season. Jennifer McCaskie, last year graduate from Truckee-Tahoe and a recent visitor to England, is helping at the Viking Gift Shop, managed again by Mrs. Alvina Cromwell. Mrs. Ruth Lang and Mrs. Grace Williams are at the shop, too.

Working

Steve Mahoney, a student at the University of San Francisco, is working for Dave McBride.

New Faces

Jack and Dinty have two new faces. Gary Cypher from the Stewart Indian School in Carson City has been here for several weeks and Jerry Millsap from San Rafael started work this week. Jerry is nephew to Mr. and Mrs. Chuck Platek of the Sierra Boat Company. There are other students from Stewart in town as well. Margelene Jim and Pearl Paddy are working in homes in town.

At Conger's

Gary Holbrook and John Wood are working again this summer for Conger's Cafe. Also D. H. and Craig Robinson are there. Dean Holbrook joins Kenny Vaughn in Johnsondale where the two boys will spend the summer with the Vaughn family.

Works For Father

Don Henry is working for his father, Dr. Wm. F. Henry, in their renovating of the house and office just west of the lumber company. Victor Riggs is working his first summer as a pin-boy at the Tahoe Tavern.

Vacation

Sheila Fanger and Joanne Wray and Joanne's little sister, Rosemary, have had a vacation visit already. The girls traveled by bus to Modesto where they visited Mrs. Henry Ford, a long-time resident of Tahoma and sister to Mrs. Robert Wray. Mrs. Ford took the trio on a leisurely tour up the coast before they returned home.

At Ford Cabin

Mr. and Mrs. A. B. Cohver, formerly of Kings Beach, are staying awhile at the Ford cabin in Tahoma. They are looking for full-time living quarters.

Summer At Lake

Jane Gorham has returned from her studies at Sacramento State to spend the summer with her mother, Mrs. Jeannette Rustad at Granlibakken. The boys, John and Billy, will probably be up in the mid-summer.

Parents Visit

Several families had parents visiting over the weekend. Mrs. Bob Jorgensen drove to Reno Friday to meet her parents, Mr. and Mrs. Herbert Maricle from Oakland who flew up for a short period. This was Mrs. Maricle's first flight. Mr. and Mrs. O. C. Wright from Santa Monica spent the weekend with their son, Clyde Wright and his young family. Mr. and Mrs. Embree V. Wilson, parents of Mrs. Pat Cross, came up from Las Vegas for a short visit. They brought with them Pat, 13-year-old neice, Sharon, Rowe. Mrs. Florence McLane visited both her sons and their families to celebrate her birthday. She spent a few days with the Victor McLanes in Truckee and then with the Bob Lanes up here. Albert and Dorothy Lang and their young son, Dwight, are back in Homewood in their lovely big trailer.

Back From Texas

Mrs. Gerry Waters returned last week from a 24-day trip to Texas where she visited many relatives and friends in Dallas and Houston and towns in between. Her daughter, Mrs. George Marshall of San Francisco and grandchildren, Gerald and Susan, and a neice, Mrs. Tom McGruder of Novato, accompanied her. Gerry Waters stayed home and painted at Deer Park Lodge.

Summer School

Every morning a group of children can be seen playing in the yard or studying seriously on the steps of Corpus Christi Catholic Church. For two weeks the sisters of St. Mary's Pines are conducting a children's summer school from 9 to 1:30.

Married

Fred Neimann, long-time summer resident of Tahoe Park married Barbara Lincoln in the bay area last week.

In Hospital

Our hospital list has too many on it this week. We are sorry to report that Leatrice Burmer had to return after her long stay of last week. Charlie Spaulding is having to spend a few days there as is Stella Goss.

Move Into Home

Rev. John Karutz and his family have moved into a home on Lakeview Drive.

Resume Service

Charles Beardsley will no longer hold vesper services at the Community Hall as lay reader because June 23 Bishop Noel Porter will resume summer services at the Outdoor Chapel just north of the Catholic Church. This will be Porter's last year here as he has served 25 years as bishop of the diocese. Outdoor services will be held at the usual morning of 11.

Sunday School

The Community Sunday School will continue to meet at the Community Hall but will start at 9:45 instead of at 10 in order that those who wish to may attend the Outdoor Chapel.

Mystery Voice

If any of you think you recognize the grave courteous voice which tells you you have dialed (as you undoubtedly have) on the new dialing system, you are right. It's Jean Henry. Do you find yourself sawing thank you?

Cut-over Party

The telephone men entertained themselves and their wives at a cut-over party held at the Crystal Bay Club Wednesday night. You will note that this night is several days before the all-night work of "cutting over" was done.

The Time

An the children can all tell you that POPCORN dialed will get you the time. It's an amazing world.

Briefing

At a briefing at the home of Pete Vanni, Fire Chief Al Henry explained the duties and responsibilities of the four firemen's wives who have the fire phones in their homes. These women have volunteered to carry out this work and we certainly owe them a debt of gratitude as a community. At no time will every phone be left unattended. The women will check with each other to make sure that someone is home. Ambulance calls are also taken by the fire phone. It's complicated system but will work out well as outlined by Al. The women who have these phones are Pat Vanni, Jean Henry, Alberta Stark, and Maizie Carnell. The fifth fire phone is in Kehoe's store.

Mr. and Mrs. George Lewis of Beverly Hills are at Tahoe Pines.

Mrs. N. F. Lindenfeld wrote from Los Angeles that her Meeks Bay home is opened for the summer.

Milan Wight of Concord is spending some time at Echo Lake.

Monterey County's 1955 mineral production was valued at $24,593,138.

LIVE BETTER ELECTRICALLY

DO YOU KNOW THAT IT TAKES:

5 gallons of water to produce 1 gallon of milk.
10 gallons of water to produce 1 gallon of gasoline.
75 gallons of water to produce 1 pound of fabric.
80 gallons of water to produce 1 kw of electricity.
300 gallons of water to produce 1 pound of synthetic rubber.
65,000 gallons of water to produce 1 ton of steel.

Water is one of our most precious elements and also one of the most necessary.

Your Utility District gathers and distributes hundreds of thousands of gallons of water for you—our customers—each day and great care is taken to maintain its purity from its source to your faucets.

STRICTLY STRICKLAND

By Bill Strickland

Not too long ago I acted as a co-pilot for a young man who was operating his father's car on a learner's permit. This youngster, who is a very good driver, and two other boys from the hill, were on their way to Lake Tahoe for a joint outing of the DeMolays and Rainbow Girls. I had the pleasure of meeting Walt and Bud Mandeville, whom I've heard of for many years, but never before had I met them. John Corbin and his wife were also in attendance. The adults, after watching the boys and girls for several hours were all of the opinion that they were one of the most polite and well behaved groups they had encountered for some time. We are certainly of the opinion that well organized and planned outings can be a lot of fun without any need for rowdyism or distructiveness. We tip our ski tips to a real swell bunch of boys and girls.

* * *

Hear that Willie Schaeffer, coach of D.U.'s ski team has arrived with three of his team members to start work building the Olympic downhill course along with Joe Marillac and some of his instructors. I can't think of a better way for the boys to train or stay in condition. If they run up and down Squaw Peak during the building period, the ruggedness of the mountain plus the seven to 9000 feet elevation should either make them, or break them. And they should certainly wind up the summer with legs like steel springs.

* * *

Rode to Sacramento yesterday with "Snuffy" Pische and his small daughter, who has been visiting at the lake with him this past week. Snuffy spends each summer at the South End and returns to Kiski Lodge when the snow flies.

* * *

Saw Elf Foster and Lee Forester cruising around in Iee's pickup the other day. They were both working on the pipeline job at Cisco Grove. After working a jack-hammer for 10 hours in solid granite they were a little too tired to be talkative, but it looked like they were both thriving on the hard work.

* * *

Herb and Lena Fredericks have returned from a month's vacation and re-opened their Norden store. They were certainly missed while away. Believe me Truckee is a long ways away if all you need is a quart of milk or a pound of butter.

* * *

The new Family Club setup out at Ice Lakes is in operation since Charlie Secco cleared the snow. We hear from various sources that a manager is on the premises with a crew of six or seven. Haven't had a chance to make a personal tour yet, but will very shortly. I understand it is quite a setup.

TAHOE POSTSCRIPTS

A total of 200 persons received free chest x-rays at Tahoe City during the Red Cross Mobile Unit's visit on Thursday last. Mrs. Vera Owen, secretary of the Placer County Tuberculosis and Health Association from Auburn, was in charge. She was assisted in the registering of visitors by volunteers Mesdames Warren Porter, Jay Shontz, William Bechdolt, Enrico Giannini, Malcolm Fox, A. M. Henry, E. H. Le Pire and Mrs. Bosen. Mrs. Henry, a member of the Placer County Board of Health, states that anyone who missed having an x-ray, may, if their family doctor advises, receive a free chest x-ray at the Placer County Health Center in Auburn.

* * *

Mrs. Celeste Daniels has arrived from Palm Springs to summer at the lake. She is residing at the home of her brother-in-law and sister, the Joe Henrys.

* * *

It's good news for the many friends of the Charles Spaldings. Charlie was released from Tahoe Forest Hospital in Truckee on Friday last and has been returned to his home at Galena Creek to recuperate. He was much improved.

* * *

Mrs. Jeannette Mitchell and son, Dale, accompanied by Aubrey Smith of Sacramento, made a trip to her 80acre Placer and quartz mining claim near Nevada City on Sunday last.

* * *

Two new homes have been completed in Whispering Pines, out Lake Forest way, for the Frank Behms and the George Laveys, both families residents of Lafayette. Mr. Behm was the builder.

* * *

Mr. and Mrs. Bob Tonini are entertaining out-of-town guests this week. Bob's parents, Mr. and Mrs. Ben Tonini, former well-known Truckee residents, are up from their home at Morro Bay. On Sunday evening they had as overnight guests Bob's uncle, Verne Nelson, of Sacramento, who was married on Sunday to Ardell Steel of the capital city. They continued Monday on their honeymoon to Salt Lake City. Mrs. Bertha Tonini is now able to be about and resume her housework.

* * *

Tahoe City's popular Swedish Farmhouse on the lake shore is opening its doors for the summer season on Thursday evening, June 20, at 5 p.m. Mr. and Mrs. Don Del Carlo promise the same wonderful Swedish and American dinners for which their establishment has long been well known. An ad in this week's Sierra Sun gives particulars. Mrs. Helga Olander has been at Tahoe since May and will continue to operate her Swedish Farmhouse Motel.

* * *

Captain Bud Scott's 43-foot cruiser "Tahoe" is beginning its service on Tahoe's waters this week, as well as three Cris-Craft, all operating from Tahoe Tavern. Captain Louis E. Richards, for 18 years a commercial fisherman and more recently in command of government 86-tonners carrying soldiers and families to guided missle areas, will assist Captain Scott this season.

* * *

Services at the Episcopal Outdoor Chapel near Tahoe Tavern will be inaugurated this Sunday, June 23, at 11 o'clock. Lay Reader Herman Rauh, son-in-law of Bishop Noel Porter from Sacramento, will conduct the devotions and deliver the sermon. He arrives the middle of this week with his wife and family and be here all summer. Bishop Porter, so dearly beloved by all in the Tahoe-Truckee area, will retire in December and will be succeeded by the Very Reverend Clarence B. Haden, former dean of Grace and Holy Trinity Cathedral in Kansas City. Now a resident of Sutter Creek he plans to visit Tahoe during the summer with Mrs. Porter from time to time. Visiting notables will be guest speakers at the Outdoor Chapel, according to present plans.

* * *

Mrs. Chris Burmer of Tahoe Cty, who underwent surgery in Tahoe Forest Hospital recently, is expected home the first of this week. Her grandmother, Mrs. Della Goss, at this writing occupies an adjoining room at the hospital, the victim of pneumonia. Good luck and speedy recovery to both of them.

Tahoe Items

Mr. and Mrs. J. H. Stephens have left Kings Beach for Petaluma.

The John Huber family of Marysville is spending the summer at Tahoe City.

In 1934, during a storm, the lantern room of Tillamook Lighthouse, 133 feet above sea level, was smashed by waterborne rocks weighing as much as 150 pounds.

The High Sierra Wilderness area, Kings Canyon and Mt. Whitney country are hard-to-get-to habitat of the glamorous golden trout.

The above bonds are offered when, as and if issued and received by us and subject to approval of legality by Messrs Orrick, Dahlquist, Herrington & Sutcliffe, Attorneys, San Francisco, California.

Principal and semi-annual interest (June 30 and December 30) payable at the office of the Treasurer of El Dorado County in Placerville, California. First coupon (annual) payable June 30, 1958. Coupon bonds in denomination of $1,000 registerable only as to both principal and interest.

In the opinion of counsel, interest payable by the District upon its bonds is exempt from all present Federal and State of California Personal Income Taxes under existing statutes, regulations and court decisions.

We believe that these bonds are legal investments in California for savings banks, subject to the legal limitations upon the amount of a bank's investment, and are likewise legal investments in California for other funds which may be invested in bonds which are legal investments for savings banks, and are eligible as security for deposits of public moneys in California.

These bonds, issued under the provisions of Division 3, Chapter 17, of the California Education Code, for various school purposes, in the opinion of counsel constitute valid and legally binding obligations of the Lake Tahoe Unified School District. The Board of Supervisors of El Dorado County has power and is obligated to levy ad valorem taxes for the payment of said bonds and the interest thereon upon all property within said District subject to taxation by said District (except certain intangible personal property, which is taxable at limited rates) without limitation of rate or amount.

NORTH TAHOE

By JUDGE HARRY CHARRISON

Shoot

This weekend we shall see the big shoot at the North Tahoe Gun Club at Tahoe Vista, sponsored by Crystal Bay Club. It promises to be one of the biggest ever held at the club with most of the crack shots from all over the west. You are invited even though you don't participate.

Lions Convention

Marshall Gordon will attend the Lions International convention at San Francisco June 25, 26, 27 and 28. He will be acting as hospitality chairman for the Nevada District 4N. Twenty-thousand delegates are expected to attend from all over the world and six thousand will march in the big parade.

Little Old Lady

Well now, Martha De Gregorio is a year older than last year as she celebrated her eighth birthdate last Thursday and as usual had the time of her young life. Her mother and dad took her out and really dined her in style and even sang a couple of numbers at the organ at the Hotel Biltmore. Lots and lots more for you, Martha.

Far Away

I hear that Dr. Hazel Blair (aunt of Marsh Gordon who has a home at Agate Bay) is now surgeon with the public health service at Tehran in Iran. Dr. Blair has been written up by Time and Life Magazine and known at Eskimo, Alaska doctor.

Pretty Wedding

Just before midnight June 15th, a very pretty wedding ceremony was solemnized at the home of Judge and Mrs. Charrison when Dante Fanucchi and Lillian Rose George both of San Francisco, took the wedding vows. They spent the honeymoon in Kings Beach and will return to San Francisco this weekend.

Hearing

A preliminary hearing for Luis Despres was held during the past week in the Tahoe Judicial District court. The defendant was held to answer to the superior court on a rape charge and his bail was set at $2500.

Attorneys

Two friends of mine, Attorneys Franklin Tuttle and Robert Thurn will be at the office of Doulton Bruners Credit house over the post office every Saturday for your convenience.

Beautiful Home

The Charles E. Ganserts have just about finished building a beautiful home on Brassie avenue on the golf course in Kings Beach. It is really a beauty with five bedrooms and all the modern facilities and a big stone chimney with about 30 tons of rocks. The beauty of it is that Charley did practically all the building himself, and it is really a credit to the community.

Windy

Sunday morning and the wind is awful, the temp at 7 a.m. 35 degrees and the lake is blustery. No fishermen out so far, but the sun is shining pretty good and we hope it will continue from now on.

Graduate

Earl and Mrs. Gray tell me that their son, Robert, has graduated from U.S.C. and is about to be associated with the Placer County Planning Commission and will live in Auburn with his wife and two children. It is just wonderful to have them in the county if not at the lake. We congratulate you, Bob.

New Station

Well, wadda you know, there is another service station being erected in Kings Beach right east of the Earl Gray Real Estate office. This will be number eight in the community.

Purchasers

The Don Veniers have purchased the home of Robert Dennis on Chipmonk street in Kings Beach. Don is a salesman in the electrical and lighting equipment, in Concord. We welcome them to our community.

The Birds

Wayne Crum of the Crystal Bay Club has been to Santa Monica to pick up the birds for the trap shoot as mentioned earlier in this column. They are not alive by the way.

Opened Up

Jerry Taylor, according to Shemus Baker, has opened the Steak House in Kings Beach. This was formerly known as the Beachcombers.

Lions Travel

Two bus loads of Lions traveling from Salt Lake City to the Lions' convention in San Francisco via Lake Tahoe stopped at Crystal Bay for a brief period last Saturday. They sure enjoyed the lake, wind as well.

New Cabins

Dorothy and son, Norman King, have built two new cabins at the Kings Court at the bottom of Brockway Hill. They sure add to the already beautiful court.

Pool

Was talking to Herb and Mrs. Gunkel of Cedar Glen Lodge at Tahoe Vista. I find out they were one of the first to have a swimming pool in the north side of the lake and it is a beauty, too. This is their third year there.

New Cabins

The George Mines have nearly completed their log cabins on the lake front at Tahoe Vista right next door to the Silver Sands where a large dwelling is getting near completion.

Open House

Mr. and Mrs. C. W. Vernon had open house at their home in Tahoe City last Sunday from 5 p.m. till midnight and a real host of friends attended to celebrate Father's Day, and it wa sa delightful affair.

Lots Of Fun

The open house at the Bal Taberan last Sunday for the motel owners was a huge success, with Tom Guren as host. There was not a dull moment and the entertainment was great, too.

Baseball

Junior baseball team backed by the Lake Tahoe Lions Club is in full swing. The first game with Tahoe City resulted in Kings Beach being beaten, 12 to 10. The next game the tables were turned and Kings Beach won, 4 to 3. The games are played at 1 p.m. at the wye in Truckee every Saturday. What they need is some good fans on the ground to cheer them on in this is wonderful game. Those taking part are as follows: Ed Ham, P. Mike, Robinson, Chuck Bergman, Dennis Thompson, Larry Hughes, Dave Decker, John Olinhouse, Dennis Ludlow, Jerry Cinani with their manager, Robbie Robinson.

VFW Gets Concession At Tahoe Gun Club, Shoot Set June 21-23

CRYSTAL BAY— V. F. W. Post 7077, Lake Tahoe, and the Ladies Auxiliary have been given the food concession at the Gun Club of Tahoe Vista, leased by the Crystal Bay Club.

Members of the Posts and Auxiliary will prepare and cook the food. Hamburgers, hot dogs, sandwiches, salads, snacks, cold drinks, ice cream, candy and cigarettes will be available. The first trap shoot will be held June 21 to 23 and promises to be fun for all.

Virginia Kornazewich has been appointed chairman. Pearl Martin and Icey LaBorde will serve as co-chairmen.

Tahoe, Summit Holders Voluntarily Give Up On-Sale Liquor Permits

SACRAMENTO —(CNS)— The state Department of Alcoholic Beverage Control announces it has accepted the voluntary surrender of 260 on-sale beer and wine licenses, on-sale and off-sale general liquor licenses and wholesaler's and rectifier's licenses.

The department said licenses are surrendered voluntarily under Rule 65 when the establishment is out of business for one reason or another, including such things as loss of premises by fire, death of one of the licensees, or other reasons.

Unless the license is surrendered during the inactive period, the department may find cause to revoke it. While the license is inactive, it may be sold by the holder of the license. The department said it makes the list of surrendered licenses available for the benefit of those persons who may wish to purchase or transfer the licenses.

The licenses surrendered under the rule included an on-sale general licenses of Soda Springs Hotel, Inc., Highway 40, Soda Springs, and an on-sale beer and wine license of Gennevie C. and Carl G. Ramming, Tahoe Vista.

Young People Credited With Help on Drive For Buddy Poppy Sales

CRYSTAL BAY— The VFW Post No. 7077, Lake Tahoe, and the Ladies Auxiliary have announced the results of Buddy Poppy sales held May 25. The total amount collected was $215.

The two organizations wish to thank the teen-age volunteers, the Girl Scouts of Lone Troop No. 1 and the Brownies for their help in selling Buddy Poppies. Merit Awards will be presented to the Girl Scouts and Brownies when their meetings are resumed in the fall.

A special "thank you" was also extended to the residents of the North Tahoe area who once again helped, not in just buying an artificial flower but in helping to sell an ideal of service to our disabled and hospitalized veterans and the widows and children of those who have given their lives.

Knight Approves Bill For Needy Medical Aid

SACRAMENTO —(CNS)— Gov. Goodwin J. Knight has signed into law AB679 by Assemblyman Glenn E. Coolidge (R-Felton) which sets up a new program of medical care for recipients of public assistance, amounting to up to $6 a month for the needy recipients.

Knight said a total of $21,700,000 would be available for the balance of the 1957-58 fiscal year, with $11,200,000 in state funds and the rest in federal. The bill takes effect immediately.

George Selkirk, Telephone Manager, Truckee-Tahoe

DON'T KILL YOURSELF ON YOUR VACATION

Isn't that a horrible thought? But some of us right here in our area will not return from vacations. Let's be different this year.

Let's make this an operation where nobody dies.
Let's have a wonderful time and see everything.
Don't overtax your heart or health—easy does it.
Kill your campfire and save the scenery for others.
Yourself alone is not enough; watch out for the other fellow.

On your face a smile and on your mind safety. Your overpressed accelerator may overpress your luck. Vacation time is wonderful if everyone arrives home safely.

Have a restful vacation—not a rest in peace vacation.
We will see you when you get back.

GEORGE SELKIRK, Manager

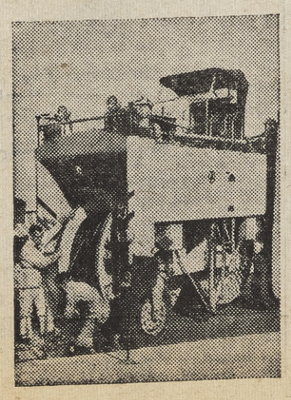
I'll bet you find dust gathers fast around the house these summer days. And it would at the phone office, too, if we didn't get after it right away. Did you know dust's an enemy of your phone service? You'd never guess how much real trouble it could cause if it got in our switching equipment. One way we keep your calls going through is to vacuum the equipment (above). Just like you clean your living room rug! We've got a special kind of dust cloth, too. It's treated chemically . . . so it'll catch dust better. Can't be too careful about these things.

* * * * *



You can't help noticing "straddle trucks" like this when you see them on the road. They're pretty unusual looking. And take it from me, they're plenty useful, too. When we put in new cables to carry your calls, a truck like this really speeds things up. First it picks up a cable reel in a jiffy. Then carries it fast to the place it's needed. And notice how you can park it *right above* the manhole where the cable goes.

Your car, in an emergency, will help to shelter you. Before an attack roll down the windows to prevent glass breakage. Crouch, or lie down below the levels of the windows on the floor of the car. After an attack the windows should be again raised to keep out as much dust as possible; it may be contaminated by radio-active fallout.

Saturday was an eventful day in the lives of Mrs. Annie Soll of Tahoe Park, and her son-in-law and daughter, the Norman Dewhursts of Ward Creek. For on that day they motored over to Reno to meet the plane which was bringing home to Tahoe for a summer long vacation Mr. and Mrs. Ali Sigurdson and nine-year-old son, Sigurd ("Siggi" to the famliy). They had just completed by air the long jump from their home in faroff Aukeryri, Iceland. Mrs. Sigurdson is the former Alice Soll, raised and schooled at Tahoe City where she is enjoying renewing old friendships among her many old friends. It has been over seven years since her last visit home. Welcome back, Alice!

Other recent visitors on Friday of last week who lived for many years at Ward Creek Camp were Mr. and Mrs. Henry Worden, and her sister, Mrs. Agnes Wahl, all of San Lorenzo. They visited while here at the home of their son-in-law and daughter, and family, the Ed Doolittles of Donner Lake.

Father Charles McGee of the University of San Francisco is starting his third summer serving as relief priest for the Truckee-Tahoe-Donner Catholic Parishes.

Operators of the water skiing concession, and school, at Sunnyside Lodge this summer are two San Francisco men, each in his last year at Hastings School of Law. They are Jack Ford, and Bob Bingham, 27 and both former lieutenants (j.g.) in the navy. Jack learned to water ski as part of his flight training as a navy pilot in Florida. He spent four years in the Caribbean area.

Mr. and Mrs. Bill Kim and children of San Francisco were visitors at Sunnyside Lodge over the weekend. Kim is secretary of the 49er's professional football team. Around July 1 the boys will welcome old friends Hugh McEllehenery (The "King"), start halfback, and Billy Wilson, star end of the famous team who are bringing along other members of the squad for some water skiing.

Plenty of excitement, but no personal injuries, followed the unscheduled plunge of Joe Pomin's Ford sedan down the 150-foot slope across the street from Tahoe City Garage, over the Commons and into the lake on Sunday morning about 8 o'clock. Joe parked his car facing the lake but forgot to leave it in gear, or put on the brake. Al Henry rescued the automobile from its watery grave, but it will require a bit of repairing before it can again be used. Fortunately it was unoccupied.

The many friends of Harrison J. Ambler and Mrs. Edith Trent, both of Truckee, are learning belatedly of the couple's elopement on May 18th to Oroville where they were married by a justice of the peace. Mrs. Ambler is bookkeeper for Ransome Company and Ambler is a driver for Denny Logging Company. They entertained as house-guests for three weeks Mrs. Ambler's daughter, Carol, and family, Mr. and Mrs. Gordon Stewart and Sandra Lee who have been living at Thatcher, Ariz. The couple has rented a house in Truckee and will remain all summer as Mr. Stewart has secured employment for the season.

Holding Phone In Case Of Emergency Unlawful

SACRAMENTO (CNS) — Gov. Goodwin J. Knight has signed into law a bill which makes it a misdemeanor to refuse to give up a party line for an emergency call to a fire department, police department, or for medical aid or ambulance service.

The bill, AB709 by Assemblyman William Biddick, Jr. (D-Stockton) also makes it a misdemeanor to obtain use of a party telephone by stating falsely it is needed for such an emergency. It specifies that future telephone directories must contain a notice of these provisions.

Washington, D. C., was incorporated May 3, 1802.

DRUNK DRIVERS WILL DRAW JAIL TERMS

SACRAMENTO (CNS) — Drunk drivers will face a mandatory jail sentence on a second conviction, under terms of a bill signed into law today by Gov. Goodwin J. Knight.

The bill, AB19 by Assemblyman Louis Francis (R-San Mateo), will take effect September 11.

Under the bill, a first conviction of misdemeanor drunk driving will be punishable by a 30 days to six months county jail term, a $250 to $500 fine or both. The Francis bill increases the minimum fine to $250.

The bill calls for a county jail terms from five years to one year and a fine from $250 to $1000 on a second conviction, with no provision that either can be stayed. The present law calls, on second conviction for a jail sentence of 90 days to a year or a fine from $200 to $1000 or both.

New Bill Would Change Deer Hunting Method

SACRAMENTO (CNS)—A bill which could bring a new conception to the practice of killing deer which are causing crop damage has cleared another hurdle and is nearing passage in the legislature.

Under present law, the department of fish and game must issue permits to farmers to kill deer, by any means, if the landowner can make a showing the animals are causing damage. The deer can be killed by the farmer or his employes but he may not keep the meat. Normally, it is taken to public or charitable institutions.

A bill approved by the assembly fish and game committee, SB-188 by Senator Stephen Teale (D-West Point), would continue the requirement that the permits be issued but would allow the department to let sportsmen shoot the offending deer, provided the landowner approved. The hunters would be permitted to keep the meat.

Teale said the present law, in some instances, results in certain landowners killing up to 70 or 80 deer a year. As this huge kill often overloads local agencies, many of the deer carcasses are burned or otherwise destroyed.

The Physalia, better known as the Portuguese man-of-war, can cause serious injury and even death with its stinging tentacles.

SURVEY BEING MADE FOR SUMMIT ROAD

A survey party has been assigned to establish the northern right of way boundry, in the vicinity of Kingvale, of the Hampshire Rocks to Soda Springs section of four-lane freeway on Highway U.S. 40. This section is scheduled for construction in the near future.

District Engineer Alan S. Hart said the work is being done so a utility company can plan their adjustment to the future work.

The party is headed by Judson C. Talbot of the Location Department, District III, California Division of Highways.

Hart said this and other survey parties will be working periodically along sections of Highway 40 to obtain necessary material for planning and other purposes and do not necessarily indicate that construction is imminent.

Placer Will Retain Roads As New Highway Built

AUBURN—The supervisors Monday made policy by voting unanimously that all sections of the present U.S. 40 to be abandoned by the state in its eventual four-laning will be retained as right-of-way by the county.

Action came on the recommendation of Bruno Bacci, county road commissioner, who stated that his office has received requests from private property holders that road areas eventually to be abandoned by the county to them. Highway 40 eventually will be a full express freeway, and may eventually require frontage roads its entire length, it was pointed out.

BIBLE CHURCH WILL BE OPENED AT LAKE

John L. Karutz, a native of Sebastopol, and a graduate of Sacramento public schools is returning to his native state to organize a church at Tahoe City.

The church that will be organized will be known as the Tahoe City Bible Church. It will be an independent Bible church that will have as its purpose to meet the spiritual need of the community. Everyone is welcome to attend.

Services will be held in Tahoe City Community Hall Sundays at 1 p.m. for Bible study hour and 2 p.m. worship service.

He is married, his wife is the former Wilma Pool of Stockton. They have four children.

Karutz has served pastorates in Esparto, Calif., York, Neb., Grafton, Neb., Vancouuver, Was., Helvetia, Ore. and Portland, Ore.

He is affiliated with the Independent Fundamental Church of America and is active in Christian Endeavor serving as region vice president and pastorial counselor.

He is a sports enthusiast and has for his hobby the officiating of football, basketball and baseball.

NEW ORDER ISSUED IN MILK PROVISIONS

SACRAMENTO (CNS)—The state bureau of milk control announced it has issued orders modifying the quantity discount provisions in wholesale prices of milk sold to schools in the Butte-Glenn, Golden Chain, and Shasta-Tehama Marketing areas, without changing price levels.

The bureau issued another ordmoved from the quantity discount provisions in order to facilitate their participation in the federal school lunch program.

The bureau issuued another order which adds the eastern portions of Nevada, Placer and El Dorado counties, including the Lake Tahoe area, to the Golden Chain Marketing area. It now includes all of Nevada and El Dorado counties and portions of Placer, Amador and Calaveras counties.

The orders were issued by the bureau following public hearings in Red Bluff and Placerville during May.

CARD OF THANKS

To the entire staff of the Tahoe Forest Hospital, may I extend my heartfelt thanks for their efficiency, attentiveness, friendliness, and many, many kindnesses extended to me during my recent hospitalization. We are indeed fortunate to have such an extremely fine organization located in this community.

Gratefully,
MRS. J. W. COMMAGERE

Standard Oil Company Starts Annual Seminar

Eighteen leading college educators began two weeks "in residence" with the Standard Oil Company of California on June 16 in the seventh annual university faculty seminar sponsored by the company as a part of its aid to education program.

A concentrated course on the oil industry, the yearly study session brings the guests together with Standard executive in a series of informal meetings designed to stimulate mutual understanding and interchange of ideas between businessmen and educators.

In addition to the conferences with management, the first week of the program includes field trips to Standard's refining, research, production and marketing installations in northern and southern California.

During the second week, seminar participants are invited to take a closer look at any particular operation they choose and to report at a final meeting on their observations of the company operation.

The report meetings, which in past seminars have resulted in lively and provocative discussions, are intended to equip professors for better college teaching and provide Standard's management with a better understanding of educators' attitudes toward business.

Inspects Office

Theodore C. Oliver, district representative for the state department of motor vehicles, was here this week to inspect th local office of the department in an effort to improve the service. He said it was his desire to have the office open at least three days a week by next year to increase the service to local vehicle owners. Currently the office is open only on Mondays and Tuesdays.

VERNONS HOSTS AT OPEN HOUSE PARTY

TAHOE CITY —More than 65 signatures attest to the success of the Father's Day open house given Sunday by Mr. and Mrs. C. W. Vernon at their home here. Assisting Mrs. Vernon is her hostess duties were her daughters, Lillian Farr and Florence B. Vernon, the latter having received a special leave from her post at Hamilton Airforce Base.

Two large, beautifully decorated cakes from the Tahoe Bakery with a Father's Day motif, made a focal point of the two groaning tables, one set in the large kitchen and the other in the living room of the Vernon home.

Three tables of canasta and pinochle were set up and despite the good visiting that went on, there were even winners at all tables.

Prize gifts consisted of the hostess' book, Tahoe Trails, Sierra Mountain Memories which was published eight years ago.

When questioned, Mrs. Vernon denies any other reason to celebrate than that she wanted to have a party and that Father's Day came in handy.

Apply for Licenses

SACRAMENTO (CNS) — The Contractors' State License Board announced today it plans to issue two contractors' licenses in the Lake Tahoe south shore area.

Robert A. Maro, P.O. Box 25, Bijou, will be issued a general biulidng contractor's license. A plumbing contractor's license will be issued to L. T. Bittner and J. E. Michelsen, Michelsen Plumbing Co., P.O. Box 265, Stateline.

The board said it would issue the licenses in 20 days if no protests are received.

Inyo County's 1955 mineral production was valued at $17,163,188.

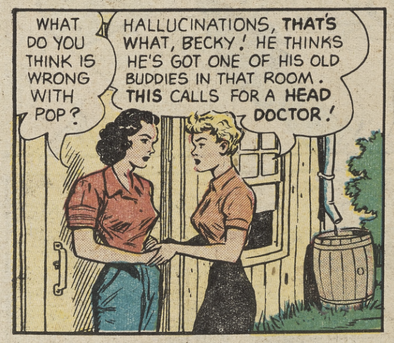
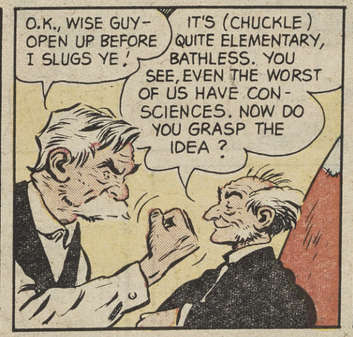
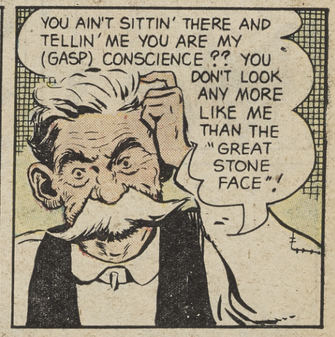
POP CLAIMS HE HAS A VISITOR BY THE NAME OF PING. THE GIRLS WOULD LIKE TO MAKE MR. PING AT HOME – IF ONLY THEY COULD SEE HIM!
IT WON'T DO ANY GOOD, BATHLESS–THEY CAN'T SEE ME. I'M VISIBLE ONLY TO (CHUCKLE) YOU!
YOU GIRLS EXCUSE ME WHILST I HAVE A HEART-TO-HEART TALK WITH MY OL' PAL, PING!

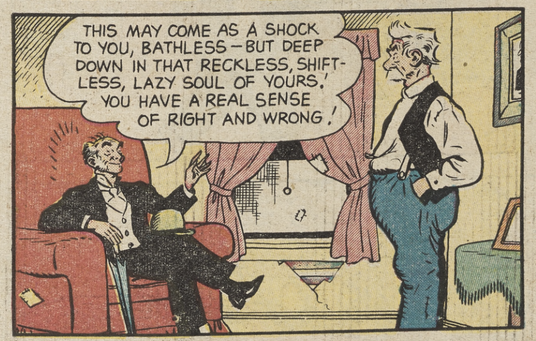


WHAT DO YOU THINK IS WRONG WITH POP?
HALLUCINATIONS, THAT'S WHAT, BECKY! HE THINKS HE'S GOT ONE OF HIS OLD BUDDIES IN THAT ROOM. THIS CALLS FOR A HEAD DOCTOR!

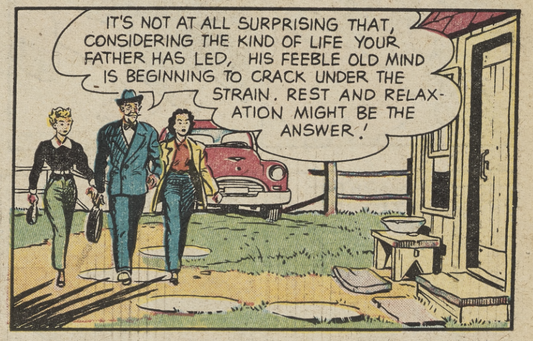


O.K., WISE GUY–OPEN UP BEFORE I SLUGS YE!
IT'S (CHUCKLE) QUITE ELEMENTARY, BATHLESS. YOU SEE, EVEN THE WORST OF US HAVE CONSCIENCES. NOW DO YOU GRASP THE IDEA?

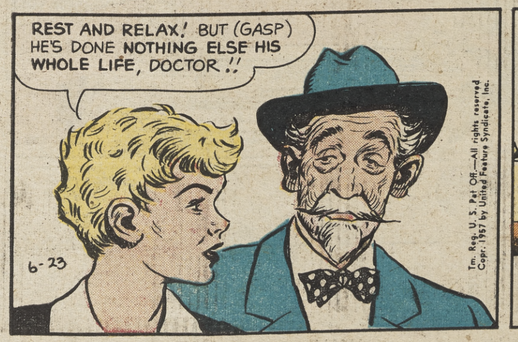




THIS MAY COME AS A SHOCK TO YOU, BATHLESS–BUT DEEP DOWN IN THAT RECKLESS, SHIFTLESS, LAZY SOUL OF YOURS, YOU HAVE A REAL SENSE OF RIGHT AND WRONG!



IT'S NOT AT ALL SURPRISING THAT, CONSIDERING THE KIND OF LIFE YOUR FATHER HAS LED, HIS FEEBLE OLD MIND IS BEGINNING TO CRACK UNDER THE STRAIN. REST AND RELAXATION MIGHT BE THE ANSWER!



REST AND RELAX! BUT (GASP) HE'S DONE NOTHING ELSE HIS WHOLE LIFE, DOCTOR!!
